Dear Director,

During the regularly scheduled meeting of the Alabama 9-1-1 Board on November 18, 2021, the Board unanimously voted to declare and distribute \$ 3,164,908.62 of excess cost recovery funds.

According to Rule 585-x-4-.09, one-half of the total amount is to be calculated on a per capita basis while the other half is to be equally divided among all districts in operation. The portion of this distribution that is based on population is calculated using data provided by the Center for Business and Economic Research at the University of Alabama as of October 1, 2021.

These funds are scheduled to transfer to your account on November 26, 2021.

If you have any questions, please don't hesitate to contact our office.

Dear Director,

During the regularly scheduled meeting of the Alabama 9-1-1 Board of Directors September 21, 2022, the Board unanimously voted to declare and distribute \$ 2,000,000.00 of excess cost recovery funds.

According to Rule 585-x-4-.09, one-half of the total amount is to be calculated on a per capita basis while the other half is to be equally divided among all districts in operation. The portion of this distribution that is based on population is calculated using data provided by the Center for Business and Economic Research at the University of Alabama as of October 1, 2021.

These funds are scheduled to transfer to your account on September 29, 2022.

If you have any questions, please don't hesitate to contact our office.

Sincerely,

Ron Cooley, CPA MBA
